# SPRING

2010

Easter is just around the corner... There's something about spring and new beginnings that inspires us! It makes us clean out our closets, plant our gardens & give back to our community. You can give hope & help feed a family right here close to home, it's satisfying and an awesome thing to do. Last season we were amazed once more by the compassion and generosity of our caring community. Easter Blessings to all. Thank you for all you do!

# **Easter** \$20.00 will provide an **dinner for a local family.**
