Since 1997, CertainTeed Vinyl Siding has been voted the #1 choice in surveys conducted by leading trade magazines. Contractors, builders and architects – building professionals like you – completed those surveys, acknowledging their confidence in the CertainTeed brand.

We greatly appreciate your support and assure you that we will continue to strive to earn your loyalty.

Brand recognition has become a critical decision-making factor for homeowners. Selling America's #1 vinyl siding brand can give you a big selling advantage and help you gain customer confidence and trust. That can boost your credibility – and success.

CERTAINTEED: A TRADITION OF TRUST

CertainTeed's long-standing commitment to innovation, quality and service is firmly rooted in our founding philosophy – Quality Made Certain... Satisfaction Guaranteed – a commitment we take as seriously today, as we did a century ago.

Double 7" Perfection Shingles

Double 7" Straight Edge Rough-Split Shakes

All the Cedar Impressions siding panels offer many innovative features and benefits:

- ◆ **Straight-up installation** for easier, faster application.
- ◆ **TrueTexture™ finish** molded from real cedar shingles for an authentic look.
- ◆ **Random shingle gaps** help hide lap gaps.
- ◆ **Grain texture on butt and shingle gaps** for a natural appearance.
- ◆ **Grain texture on full overlap** provides a uniform grain look at the seams.
- ◆ **Positive lock with lead-in guide** stays in place while nailing.
- ◆ **Extra long lock tabs** for an easier locking panel.
- ◆ **Oversized Perimeter™ side lock tabs** are easy to engage.
- ◆ **QuickReference™ nail mark Indicators** makes correct nailing simple.
- ◆ **Reinforcing ribs** on nail slots and lock tabs for improved lock strength.
- ◆ **PanelThermometer™** displays panel temperature for accurate installation.
- ◆ **Higher impact, more flexible material** provides superior handling.
- ◆ **Panel projection**
Perfection & Half-Round Shingles: 3/4"
Rough-Split Shakes: 1"
- ◆ **Thick, durable injection molded polypropylene**
Perfection & Half-Round Shingles: .100"
Rough-Split Shakes: .125"
- ◆ **Matching mitered cornerposts.**
- ◆ **Shingle repair clip** for easy panel replacement.

Triple 5" Perfection Shingles

Double 9" Rough-Split Shakes

Double 6-1/4" Half-Round Shingles

Sable Brown

Pacific Blue

Ivy Green

Barn Red

Flagstone

Granite Gray

Cypress

Buckskin

Natural Clay

Savannah Wicker

Sterling Gray

Autumn Yellow

Light Maple

Desert Tan

Herringbone

Heritage Cream

Sandstone Beige

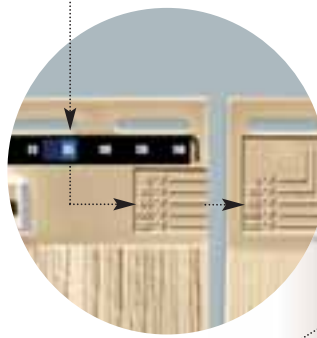

Snow

Colonial White

The patent-pending PanelThermometer™ and temperature lines are designed to ensure precise installation.

Reinforced nail slots ensure secure installation.

Ribs on the back of the panels add structural stability for extra protection against warping, cupping and distortion.

Notched side laps allow you to push in and straight up to lock the panel securely – just like traditional vinyl siding.

Molded Perimeter Lock™ creates a seamless look and holds panels securely together.

Extra-thick, durable polypropylene.

Double 7" Perfection Shingles and Double 6-1/2" Half-Round Shingles are available in all above colors.

Triple 5" Perfection Shingles are available in above colors except: sable brown, pacific blue, ivy green, barn red, flagstone.

Rough-Split Shakes are available in above colors except: autumn yellow, heritage cream, snow.

NEW – Design

Double 7" Perfection Shingles

NEW – Style

Double 7" Straight Edge
Rough-Split Shakes

NEW – Northwoods™

Northwoods is a new family of vinyl shake siding with the authentic look of milled cedar shingles.

Northwoods is the best looking vinyl shingle siding available. Made with our patented continuous vacuum formed process, it's great for accent areas or whole house applications.

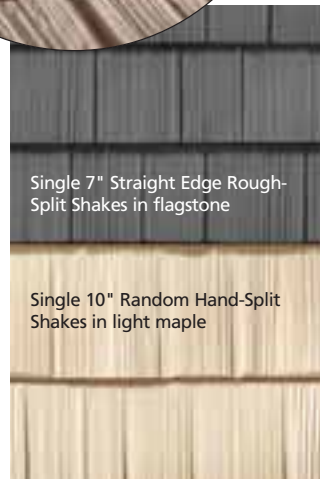

Ideal for Many Architectural Styles

- ◆ Two authentic profiles:
 - Single 7" Straight Edge Rough-Split Shakes
 - Single 10" Random Hand-Split Shakes
- ◆ TrueTexture™ finish molded from real cedar shakes.
- ◆ Random shake gaps and grain texture on full overlap for a seamless look.
- ◆ Up to 17 low-gloss colors, including dramatic darker hues.
- ◆ 1" panel projection creates deep shadow lines.
- ◆ .050" thick, sturdy vinyl.
- ◆ 10' panels – 16" on center – install quickly like traditional vinyl siding.
- ◆ Single course design for reduced waste.
- ◆ Class 1(A) fire rating for code requirements.
- ◆ Lifetime limited warranty.

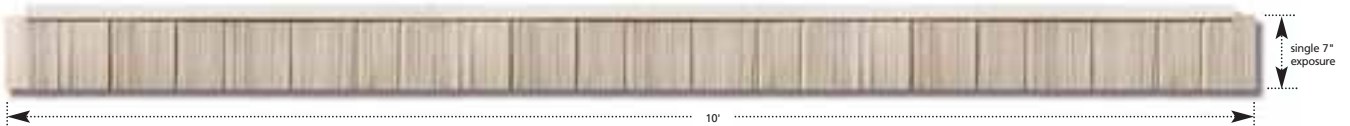

The CertainTeed Advantage

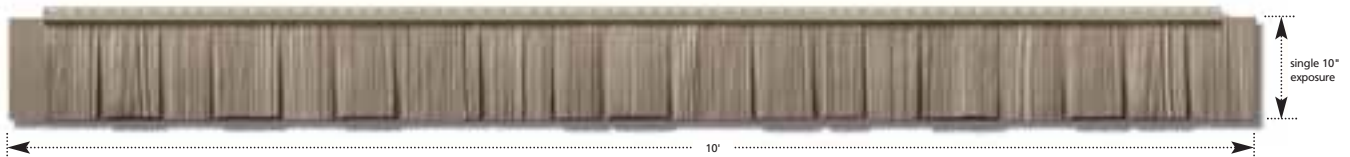

CertainTeed offers the most comprehensive selection of shingle and lap sidings, as well as the broadest selection of accessories and trim with the Vinyl Carpentry™ Soffit and Decorative Trim offering. All of these products are designed to coordinate with Northwoods.

Straight Edge Rough-Split Shakes

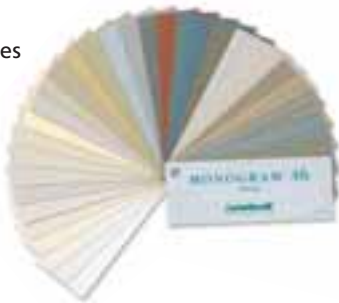

Random Hand-Split Shakes

Monogram™ 46 – NEW .046" Heavy-Duty Thickness

Additional strength and wind load performance further enhance Monogram's position as the leader in premium siding. The comprehensive system of value added features, including the industry's widest color offering, make Monogram the ultimate in beauty and performance.

- ◆ 31 low-gloss colors including dark hues and wood-tone blends.
- ◆ Three Classic Styles -
Double 4" Rough Cedar Clapboard
Double 5" Rough Cedar Clapboard
Double 5" Rough Cedar Dutchlap
- ◆ TrueTexture™ rough cedar finish molded from real cedar boards.
- ◆ Patented STUDfinder™ is designed for fast, accurate and secure installation.
- ◆ Works with Monogram 46L longer length siding:
 - Double 4" Clapboard in 16' 8" and 20'
 - Double 5" Dutchlap in 16' and 20'
 - 12 low-gloss colors

STUDfinder for Fast, Accurate and Secure Installation

- Nail slots align with 16" on-center standards for stud spacing.
- Indicator letters help:
 - Determine location of studs
 - Ensure nails are positioned correctly
 - Ensure correct number of nails are used

RigidForm™ 220

Monogram's RigidForm 220 technology provides strength and exceptional wind resistance.

This double thick .092" rolled-over nail hem design increases wind resistance and stiffens the panel. This design has been tested* to withstand wind load pressures up to 220 mph.

* Wind load rating per VSI wind speed calculation guidelines.

CertiLock™

The exclusive CertiLock™ locking system features self-aligning multiple bends that snap together with an audible "click" to ensure a secure fit and more consistent installation.

Heavy-Duty .046 Thickness

Monogram panels feature a true .046" thickness for outstanding strength and impact resistance.

3/4" Panel Projection

A 3/4" panel projection provides excellent rigidity for straighter-on-the-wall performance.

Ordinary Vinyl Siding

Aluminum Siding

CertainFeed Restoration Smooth

NEW – Restoration Smooth™ Double 4-1/2" Dutchlap

Designed in the tradition of 17th century American craftsmanship.

Restoration Smooth is a favorite of architects with profiles and a smooth finish that faithfully reproduce historic wood siding, as well as many other premium features and benefits.

- ◆ Featuring the industry's smoothest and lowest gloss finish, Restoration Smooth replicates planed, sealed and painted wood.
- ◆ Three Classic Styles:
Triple 3" Smooth Clapboard
Double 4-1/2" Smooth Clapboard
Double 4-1/2" Smooth Dutchlap
- ◆ GripLock™ for secure, snap-fit installation.
- ◆ 14 low-gloss colors with a wide variety of coordinating trim.

StormRoll™ Hem

This double thick .088" rolled-over nail hem design increases wind resistance and stiffens the panel.

STUDfinder™ Installation System

Helps ensure fast and accurate fastening.

5/8" Panel Projection

A 5/8" panel projection provides excellent rigidity for straighter-on-the-wall performance.

Premium Thickness

Restoration Smooth panels feature a true .044" thickness for outstanding strength and durability.

Double 4-1/2" Smooth Dutchlap in granite gray

Triple 3" Smooth Clapboard in natural clay

Double 4-1/2" Smooth Clapboard in savannah wicker

NEW – CedarBoards™ and Accessories

CedarBoards now has a full complement of accessories to support the fastest growing siding category in the industry.

- ◆ Thick rigid foam backing increases R-value up to 22%.
- ◆ Reduces heating and cooling costs.
- ◆ Helps block exterior noise.
- ◆ Insulation treated with fire retardant and insect repellent – contains no ozone-depleting chemicals.
- ◆ STUdfinder™ for fast, accurate and secure installation.
- ◆ 12 low-gloss colors with a wide variety of coordinating trim.
- ◆ .044" thickness.

TrueTexture™
finish molded from
real cedar boards

Straight Even Face
with a flat surface for
the look of wide board
wood siding.

Deep 3/4" Straight-Edge Panel Projection

for the clean look of
newly-sawn wood.

Custom Contoured Foam

Increases R-value and
provides added strength
and rigidity for a solid look
and feel. Insulated vinyl
siding resists impact up
to 5 times better than
traditional hollow
vinyl siding.

Board & Batten

The traditional look of alternating wide and narrow cedar boards is growing rapidly in popularity both in whole house and accent applications.

- ◆ Available in two convenient lengths: 12'6" and 10'.
- ◆ 12'6" panels are 2'6" longer than competitive panels, offering installation and aesthetic advantages.
- ◆ Ideal for whole house or accent applications.
- ◆ 6-1/2" board with a 1-1/2" batten creates an 8" wide panel with the widest vinyl board span.
- ◆ Flat face board design results in a straight, even surface.
- ◆ 1/2" high, straight-edged battens for a sharp, carpentered look.
- ◆ Single square packaging.
- ◆ TrueTexture™ finish molded from real cedar boards.
- ◆ 12 low-gloss siding colors with a wide variety of coordinating trim.
- ◆ .048" premium thickness.

Flat Face, 6-1/2" Board

CertainTeed's 6-1/2" board span is the industry's widest, and is designed to have a straight, even face with a flat surface for a true cedar board appearance.

Premium .048" Thickness

Board & Batten panels have a thickness of .048" for the ultimate in strength and durability.

Sharp Batten Edge

The straight-edged design of the batten creates a finely crafted, real-wood look.

TrueTexture™ Rough Cedar Finish

Molded from real cedar boards.

H-Divider Bar in Matching Colors

For use with full tall wall applications.

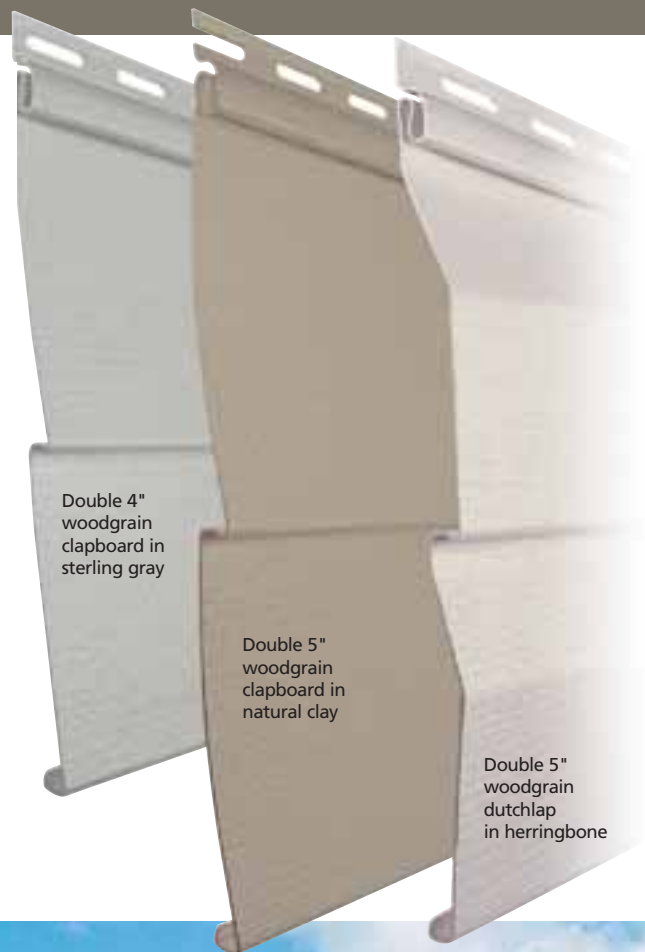

Board & Batten vertical siding in granite gray.

NEW – Newtown™ Siding

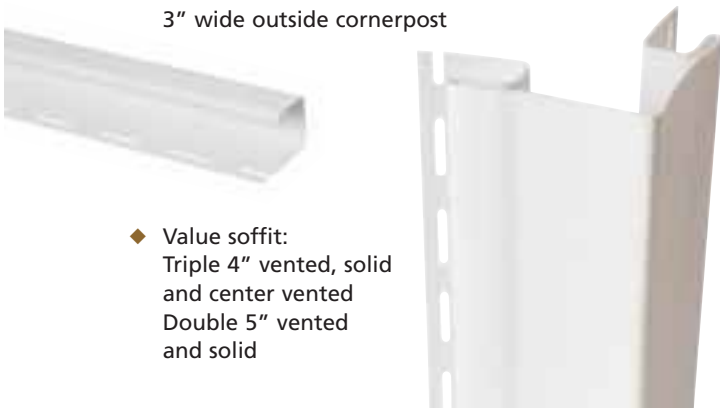

Value siding designed for the new construction professional, with complementary soffit and accessories.

- ◆ Three Popular Styles:
Double 4" Woodgrain Clapboard
Double 5" Woodgrain Clapboard
Double 5" Woodgrain Dutchlap
- ◆ Natural woodgrain look.
- ◆ 8 low-gloss colors with a wide variety of coordinating trim.
- ◆ 7/16" panel projection.
- ◆ .040" thickness.
- ◆ Lifetime limited warranty.

Newtown Value Siding System puts it all together.

- ◆ Value accessories:
7/16" J-channel
3" wide outside cornerpost

- ◆ Value soffit:
Triple 4" vented, solid and center vented
Double 5" vented and solid

- ◆ Designed to add distinction to windows, doors, corners, gables and frieze boards.
- ◆ Authentic painted wood look.
- ◆ New construction and remodeling installation flexibility.
- ◆ Wide variety of colors to coordinate with siding.
- ◆ Color-clear-through construction means scratches won't show.
- ◆ Virtually maintenance free, never needs painting.

Show Me The Money

Siding and Millwork Product Payback!

Buy CertainTeed products and we'll show you the money!

CertainTeed is unveiling an exciting new promotion for 2007 that makes it easy for you to earn cash, in the form of a CertainTeed Rewards Visa® Card, that can be used at millions of locations worldwide — wherever Visa debit cards are accepted.

From January 1 to October 31, 2007, every time you buy any of the eligible CertainTeed vinyl siding, WeatherBoards FiberCement siding and Restoration Millwork products, simply submit your distributor invoice along with a completed program redemption form and you'll receive a rebate. Rebates will be loaded onto your CertainTeed Rewards Visa® Card approximately every three weeks.

For a listing of eligible products and rebate amounts, ask your CertainTeed distributor or Territory Manager for details.

We truly appreciate your business and developed this incentive program as our way of saying "Thank You"!

NEW! Five-Star Contractor Program

A new way to enhance skills, profitability and rewards!

As the remodeling market becomes more competitive, siding professionals need new ways to differentiate themselves. CertainTeed's new Five-Star Contractor program can take you to a higher level of expertise, market differentiation, customer awareness and rewards. That's a combination of benefits that can also elevate your profitability!

Higher Standards

The Five-Star Contractor Program is an extension of the existing Master Craftsman programs currently offered for CertainTeed siding products and Restoration Millwork. While the Master Craftsman designation can currently be earned by completing a training course in either one of these product areas, earning the Five-Star Contractor designation requires the successful completion of a more extensive program of knowledge and skills development.

To qualify as a Five-Star Contractor, a siding contractor must successfully complete all of the following training programs:

- Vinyl Siding Master Craftsman
- Restoration Millwork Master Craftsman
- VSI Certified Installer
- Provide proof of: Workman's Compensation and Liability insurance.

Your company can also qualify for designation as a Five Star Contractor Company by committing to having a Five-Star Contractor on every job crew.

Greater Rewards

Earning Five-Star Contractor status can be very rewarding! Those who earn this distinction will receive a full program of exclusive monetary, merchandising and promotional rewards including:

5-Star Financial Rewards

- \$150 bonus credit to "Show Me the Money" Visa® card with first purchase of qualifying products
- 10% rebate added to card for every purchase of qualifying vinyl siding and millwork products

5-Star Merchandising and Promotional Rewards ... No Charge

- 5-Star patch and certificate
- Embroidered long-sleeve shirt
- Presentation folders and consumer "Why a 5-Star Contractor?" brochure
- Trial of MarketZone direct mail
- Trial of on-line assessment of job candidates
- Premier listing on CertainTeed website and VSI website
- TradeTalk subscription
- Selected literature and samples direct from CertainTeed

Exclusive 5-Star Item Availability

- Presentation folder
- T-shirts, long sleeve shirts, jackets, hats

CertainTeed 5-Star Contractors will also receive additional rewards and opportunities throughout the year – all designed to help you increase visibility, competitive standing and profit potential.

Contact your CertainTeed distributor or CertainTeed Territory Manager for details or log onto: www.certainteed.com/5star

Connect with Success

Up-to-date CertainTeed product information and marketing resources are always at your fingertips at www.certainteed.com.

Help customers see the possibilities!

The "Picture My Home Makeover" interactive program lets homeowners view product and color options on their home. Learn more at www.certainteed.com/picturemyhome.

Mix and match colors and products!

The interactive ColorViewsm tool allows homeowners to see the effect of different color and style selections for siding, roofing, doors and trim. A summary of final selections can be printed out.

Get the latest tips and techniques!

Sign up online for TradeTalk, our FREE quarterly email bulletin detailing the newest ideas in siding products and installation tips.

Maximize marketing resources!

The full CertainTeed Digital Marketing Library is available online. Plan your advertising with our extensive resources including full color images, logos, radio scripts, selling copy and more.

Earn distinction and rewards!

Master Craftsman — Study the materials and take the test online. Receive instant grading and automatic rewards.

Contractor Locator!

5-Star Contractors and Master Craftsmen are highlighted on the CertainTeed Contractor Locator, where homeowners connect with contractors. You can also link from the locator to your website.

Tools to Help You Sell...

The right tools make any job easier. CertainTeed has you covered with training, literature and support materials that improve your skills, enhance your image and strengthen your sales presentation.

Deluxe Folders

Available for MonogramTM 46 and Restoration SmoothTM, these high impact samples are designed for remodeling in-home sales with removable color chips and profiles of choice.

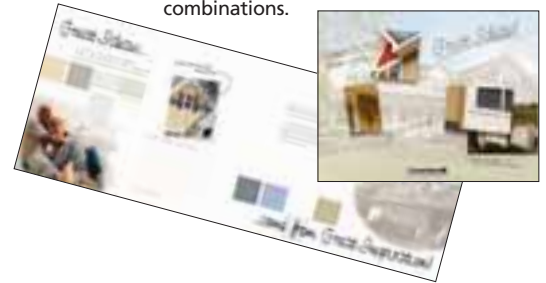

Wood Comparison Samples

Demonstrate the natural TrueTextureTM rough cedar finish of MonogramTM 46 and the extra smooth finish of Restoration SmoothTM with these real wood comparison samples.

Idea Book

This brochure will help the contractor show the homeowner a wide array of design possibilities with full color images of product and color combinations.

Look Up to InvisiVent[®] Display

This display is designed to install easily in standard ceiling panel sizes of 2'x2' or 2'x4' with a promotional hanger.

Color Chip Display Boards

This 2'x4' display has removable color chips and can be used as a wall display or as part of a free standing unit.
