Company Overview:

Elite Roofing Company of Nashville Inc. is a certified minority owned roofing contractor certified in shingle, metal and rubber roofing systems. We serve residential, commercial and industrial clients. We strive to fulfill the needs of every customer by protecting the investment they have made in their home or business. Elite Roofing is a licensed contractor in the State of Tennessee. Our Residential Repair Division services the Davidson County and surrounding areas, while the New Roof Installation and Commercial Repair Division services the entire State of Tennessee.

Customers We Serve:

While our customer base is diverse, our service is the same: ELITE. Our project reference list includes residential projects, commercial and industrial facilities, government agencies, as well as church facilities. We view our customers as our greatest asset. We know and understand that it is their business that supports our business. We also understand that a large part of our historical growth is a result of customer referral and repeat business. It is our mission to provide every customer with .ELITE. service regardless of the project size.

Why Choose Elite Roofing of Nashville?

Our management staff has over 100 years experience in the roofing industry. Our crews are professional and efficient. We pride ourselves in providing quality service and workmanship and staying abreast of new technology to better serve the needs of our customers. Not only are we devoted to installing a quality roofing system but we are also dedicated to maintaining a professional relationship with our customers and leaving the project in superior condition.

Key Personnel
