

Wright-At-Home Services, Inc.

Spring has definitely sprung! Summer is right around the corner. Bob, Roxanne and our team would like to take this opportunity to thank all of our customers. For those of you who were unfortunate enough to be hit by multiple hail storms; we thank you for giving us the opportunity to do business with you again.

Roofing and Siding

With all the excitement it is easy to forget about your roofing and siding. If you were involved in the hail storms last year you should have your roof and siding inspected for damage. Don't assume that your shingles are not compromised. Even a new roof is susceptible to hail damage and should not go unchecked. Hail damage can lead to excessive granule loss that weakens the integrity and voids the manufacturer's warranty of your new roof. If you would like us to inspect your roof feel free to call us. We would be more than happy come out for a free evaluation.

Remodeling and Windows

\$1500.00 TAX CREDIT!

Two years ago Wright-At-Home Services added windows as part of our ever growing portfolio of products and services. This year we are proud to announce our new remodeling division. It is a great time to take advantage of government issued tax credits for home improvement. Get up to \$1,500.00 for your home improvements (including windows (\$500.00 tax credit on windows), siding, and roofing). Consult an accountant for more information. If you're thinking about putting on an addition or remodeling any part of your home allow us to help you make dreams become reality. We have teamed up with the best remodeling professionals in the Twin Cities and only use the highest quality materials to ensure the job is done right. Be sure to call if you have any questions or would like to get a

project started. See our latest "Wright Makeover" at www.wrightathome.net

Service Award

A special thank you goes out to all of our customers who are members. Thanks to your wonderful reports, Wright-At-Home Services won the Service Award for 2008. This marks the third straight year that we have won.

Remember, if you are a member and for some reason you forgot to write a report you can still do so. Your feedback is very important to us. Thank you to those of you who took the time to write a report!

New Referral Program

Your referrals are our greatest source of advertising. We have increased our referral fee to \$150.00 for each person you refer and we complete the job. Please be sure homeowners mention your name as the source of referral. We have expanded our referral program "neighborhood nice" if you have neighbors that need home improvements, simply call the office for our door knockers. If we set an appointment off of your knocker we will pay a fee, if we sell the job you will receive \$200.00 per sold job. This is an opportunity to make extra money and let your neighbors know about your experience with us. Call the office for details.

Once again thank you to all of our customers for your continued support. We look forward to serving you again in the future. If you should have any questions, comments or concerns please free to call or email us anytime at 763-493-2724. Have a great year!

Regards,
